

## Blue Devils Meet Stuart Tonite On Martin Co. Field

The Pahokee Blue Devils go to the East Coast tonight to play the Stuart Tigers in the first out-of-town game on their schedule. This should be a good game as the Tigers have increased their strength since their 7 to 0 upset by Okeechobee early in the season and both Stuart and Pahokee won from Cooca by a two-touchdown margin, indicating that the two eleven are well matched. Following the 39 to 0 shellacking Pahokee got from Ft. Pierce last Friday night, this contest should also test the Blue Devil's ability to bounce back.

The Fort Pierce contest was the old story of a young, relatively inexperienced team coming into contact for the first time with a topnotch veteran eleven with a wealth of reserve strength. The Blue Devils were so nervous that they literally fumbled and passed the game away. Out of nine fumbles Fort Pierce recovered six and five of the 14 passes attempted by the Blue Devils were intercepted by the Eagles.

Disdaining to scrimmage in their own territory the Eagles' were quick kick to the Blue Devils' end of the field and then wait for the Blue Devils to set up a scoring opportunity through fumbles, poor passes or weak punts. This sort of strategy worked for the Eagles throughout the game with Halfback Max King scoring three touchdowns and Fullback Bill Scharfswerd crossing the goal line twice and tossing a pass to End Glen Nelson for another.

It is true the Blue Devils were below par because several players had the flu and the condition of the half sick squad has not improved this week.

### RETURNS FROM WASHINGTON

L. L. Stuckey, chairman of the Florida Vegetables Committee, is home after spending several days in Washington attending to business for the committee. Mr. Stuckey presided over the recent meeting of the committee held at the George Washington Hotel in West Palm Beach.

### JOE HATTON VISITS

Joe Hatton, Jr., is home on a 30 day furlough. He is a member of Uncle Sam's Navy and has just returned from a 12,000 mile trip to Singapore.

Mr. and Mrs. Pope Sears of Canal Point announce the birth of a daughter, Cecilia Gale, at the Everglades Memorial Hospital on Nov. 2.

Mr. and Mrs. James E. Batchelor of Pahokee announce the birth of a daughter, Dorothy Ann, at the Everglades Memorial Hospital on Nov. 2.

Mr. and Mrs. Milton W. Giese of Belle Glade announce the birth of a son, David W., at the Everglades Memorial Hospital on Nov. 4.

Mr. and Mrs. Myrtis T. Eiland of Pahokee announce the birth of a son, Billy Earl, at the Everglades Memorial Hospital on Nov. 5.

Mr. and Mrs. Vernon Prevatt of Belle Glade announce the birth of a daughter at the Everglades Memorial Hospital on Nov. 7.

Petty Officer 1-c and Mrs. Jack Phillips (Josephine Armstrong) announce the birth of a daughter, Betty Jo, at the Naval hospital in Miami on Wednesday, Nov. 7.

## Brooker Closes Lumber Yard

Ronald Brooker has closed his Pahokee Lumber Company on Canal Point Road to go to Homestead to assist his brother, who is in the lumber business there, during the reconstruction period in the Homestead area which was badly hit by the September 16th hurricane. Mr. Brooker plans to reopen the Pahokee Lumber Company yard as soon as he can offer the public a better grade of lumber than is being turned out at the present time by most of the mills.

## Mack Parker Talks To Pahokee Lions

Mack Parker, recently discharged war veteran, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. He told of some of his experiences in the Southwest Pacific and what it felt like to be a civilian once again. Mack was made honorary tail twister for the day and he gleefully responded with some fancy twists that made a fe of the Lions yelp with regret.

Pins denoting perfect attendance for the past year were awarded to Lions A. R. Harrington, A. D. Beverly, Rupert McKee, Frank Rozelle, J. H. Barwick, George Belk, R. J. Schroder, J. M. Elliott and Luke Fraser. Mr. Elliott was also presented with the past secretary's pin.

Junior high football games on Lair Field on Thursday and next Tuesday nights were announced by Charles S. Brown, assistant coach.

Frank Hobson of Belle Glade, Sam Telford and Al Campaigne of Winter Haven were visitors.

Lawrence Arrington was in Pahokee this week. He was a prisoner of the Germans for 11 months and dwindled away to 76 pounds. He has regained his weight and looks good. His many friends in Pahokee were happy to see him again.

## PERSONAL ITEMS

Miss Jackie Chastain is recuperating from an appendectomy performed recently at Good Samaritan Hospital in West Palm Beach.

A. Q. (Potter) Howell, Jr., fireman 2-c in the Navy, who has been stationed at Iwo Jima for the past several months, is enroute home according to word received here by his parents, Mr. and Mrs. A. Q. Howell, Sr. Potter is coming by the way of Pearl Harbor, San Diego, Panama Canal and Jacksonville and expects to arrive in Canal Point sometime in December.

Ensign and Mrs. H. D. Feilds, Jr. left Monday for Alameda, Calif., where they will make their home while he is attending a Naval school there. Mrs. Feilds is the former Miss Ozelma Justice.

Claude S. Jones, rdsm 1-c, is spending a 12-day leave from the Navy visiting his brother-in-law and sister, Mr. and Mrs. Raymond Caruthers, in Pahokee. Claude has been stationed at Long Beach, Calif., but will report back for duty at San Francisco.

Jimmy Burnside is making his home in Pahokee this season with his uncle and aunt, Mr. and Mrs. Raymond Caruthers and is now attending the Pahokee school.

Mr. and Mrs. Doyle Crocker and children have moved to Delray Beach where Mr. Crocker is operating a general store. Mr. and Mrs. C. A. Batchelor and family have moved into the Crocker residence on Bacom Point Road.

## Filipino To Get Glades Presents This Christmas

The ability of the American soldier to spread 'good will and make friends wherever he goes is exemplified in the case of Cpl. Robert Myric (Mike) Sanders, son of Mr. and Mrs. R. W. Sanders of Pahokee. Cpl. Sanders joined the Army two years, six months ago and has been overseas in the Pacific area for 16 months. As a member of a Chemical Mortar Battalion, he took part in the Leyte Campaign and the Okinawa Campaign. After the Japs were cleaned out of Okinawa, he was transferred back to Leyte where he is now stationed.

Cpl. Sanders has made many friends in Leyte, however, they call him "Bob" instead of "Mike" as we know him. One of his friends, Marcelo Avila, a "man in the 12th year," recently wrote Mr. and Mrs. Sanders an interesting letter which we are printing below and which, incidentally, throws a sidelight on the dire need for clothing of liberated people throughout the world.

Tanawan, Leyte, Philippines  
October 4, 1945.

Dear Sanders Family,  
How do you feel to receive an unexpected note like this? Well I'm one of Bob's best Filipino friend.

I gave him three Philippine-made belts for you as he told me. So I didn't take to shame in sending this note asking a Christmas present from the ones who received the belts.

Won't you mind to give me some clothing. I want straight cloth. I like white and light color, coarse checked.

I'll try to send you things you will ask from me in return. Also brown shoes no. 5.

Please give me. You can ask Bob who I am and how dear our friendship is. I'm a man in the 12 year now. Thanks.

Marcelo Avila.  
(Editor's Note: Mr. and Mrs. Sanders are seeing to it that Marcelo gets his Christmas present, white or light and coarse checked, also brown shoes no. 5.)

## Record Is Hung Up By Insurance Group

Chester A. Batchelor and his crew of salesmen at the Pahokee office of Industrial Life and Health Insurance company hung up an enviable record during the past few weeks when they won \$2,238.00 in cash for producing the most new business in any district in South Florida. Eight districts competed in the contest and Mr. Batchelor's Glades district sold almost twice as much new business as the nearest competitor, final tabulations show. At the Pahokee office there are 13 workers who will share in the prize bonanza.

### DEGREE CONFERRED

The degree of Master Mason was conferred on C. A. Batchelor at a meeting of Everglades Lodge 211, F&AM, in the Masonic Hall Tuesday night. P. P. deMoya was initiated a new member. A special meeting was called for Tuesday evening, Nov. 13, to work on fellowcraft degrees. F. G. Gillis was in charge of the serving of refreshments.

### FOURTH MORNING DELIVERY

The Seaboard and Atlantic Coast Line announce a new schedule—four morning delivery to Eastern Markets—for Lake Region vegetables. The schedule will go into effect Nov. 12.

## Van Bardin Home From Jap Prison

Cpl. Vann Bardin, son of Mr. and Mrs. R. T. "Uncle Bob" Bardin in Canal Point, is home on 90 days temporary duty after being liberated from a Jap prison camp. Vann is non-talkative and a complete story of his incarceration is unavailable.

For more than three years he was a prisoner of the Japs. He says that atrocity stories aren't stretched a little bit. If anything, the atrocities were worse than one can imagine. He had been wounded and was in a Philippine hospital when the American surrender came. He was taken prisoner and missed the Bataan Death March only because he was among the wounded and unable to walk. Young Bardin is still carrying around several pieces of shrapnel in his back and side and will return to a government hospital at the end of his furlough to have them removed.

## Church Of God Rally Is Great Success

The Church of God Rally in Pahokee Sunday was declared a success by officials of the church. A group of 165 were in attendance at Sunday School. The goal of 200 is hoped for before the close of the present harvest season. The Sunday School is a young organization and those in charge are happy over the progress being shown.

At Sunday's Rally Mrs. B. Elliott was guest speaker. Her talk was inspirational and interesting. She also presented the different prizes awarded on the special occasion. More than \$200 was added to the building fund Sunday.

The morning program was followed by an old-fashioned chicken dinner. In the afternoon group singing was enjoyed. Visitors were present from Canal Point, Arcadia and Belle Glade.

Mrs. Jack Peacock of Pahokee received a box of candy for having the largest family present at the morning meeting. Mrs. Florence Toler of Canal Point was the oldest mother present. Mrs. Tommie Miller of Pahokee was the youngest mother. Each received an orchid. Mrs. T. E. Webb of Wildwood also received a prize.

Tonight there is a special program planned for young people. Regular services will be held Sunday with preaching and Sunday School. Rev. J. M. Gresham is the pastor.

## Baptists Enjoy Spaghetti Supper

A spaghetti supper and Halloween party was enjoyed by members of the young people department, First Baptist Church, at the Lions clubhouse last week. Contest prizes were won by Carol Phillips, Connie Marshall, James Marshall and Melvin Jacobs. Approximately 25 were present.

## Unusual Spectacle Features Program For Pahokee PTA

A gigantic spectacle depicting physical education activities at Pahokee Schools will be presented under the flood lights of Lair Field on Monday evening, Nov. 12, as the November program of the Pahokee Parent-Teacher Association.

The program will start at 7:30 p. m. with several hundred children taking part in mass calisthenics, tumbling acts, aerobic stunts, gymnastics, folk dances and a general panorama of sports played at the school. The various acts will be under the direction of Clyde Alley, Charles S. Brown and Miss Jane Mitchell, athletic and physical education directors at the school.

A loud speaker system will be installed on the field to announce the acts and also to conduct the brief PTA business session which will be held on the field instead of in the auditorium. Refreshments also will be served on the field after the close of the program. Music will be furnished by the Pahokee High School Band under the direction of Bandmaster Robert O. Lampi.

This unquestionably will be the biggest program ever presented by the local PTA, an evening of entertainment that should please all tastes. The public is invited to attend.

## Pahokee Squad Is Hard Hit By Flu

Pahokee high school has never cancelled a foot ball game—the Blue Devils have always fulfilled their contract to furnish opposition for any team scheduled for any certain date. However, tonight in Stuart it will be the second team that plays the Stuart aggregation. Reason: 13 out of the 26 man squad are sick with flu.

Coaches Alley and Brown were downhearted yesterday when commenting about tonight's game. Nevertheless, the Blue Devils will be represented on Stuart field tonight when the whistle sounds for the kick-off. Maybe Pahokee will lose another game. So what? Games have been lost before.

## Teen-Agers Enjoy Halloween Party

The Teen-Agers enjoyed a Halloween party at the Pahokee Methodist Church last week with Fay Cranford in charge of arrangements. Mrs. Frank Rozelle and Mrs. H. C. Graham acted as chaperones. Refreshments were served to 30 guests.

## Halloween Games For M.E.S.S. Class

Mrs. B. S. Waring and Mrs. T. L. Burns entertained at Mrs. Waring's home on Canal Point Road with a Halloween party for members of their Methodist Sunday school class. Mrs. H. C. Graham led in the playing of Halloween games. Refreshments were served by the hostesses to over 20 guests.

Grady Boynton is busy this week repairing a building next door to his home which will be used by a merchant from Indian-town who plans to open a grocery store soon.

Mr. and Mrs. Jess Walton spent the weekend in Orlando visiting their son and daughter-in-law, Mr. and Mrs. Jake Walton.

## Appliances Behind Schedule

The makers of such home appliances as refrigerators, washing machines and vacuum cleaners are about two months behind their reconversion timetable. This means, one of the country's biggest electrical equipment manufacturers warns, "that unless you've a relative in the appliance business you'll be wise to cross these items off your Christmas gift list." Other makers confirm this view.

Most new appliances now in production are essentially the 1942 models with some improvements. A few post-war products embodying new ideas are on the assembly lines but generally, say appliance men, it will be next summer at the earliest before the majority of firms begin manufacturing their new lines.

On the whole, prices of new home appliances will show little change from 1942, a Wall Street Journal survey of leading manufacturers indicates. On some items, particularly refrigerators, this is the result of OPA action. On others, it is competition. Manufacturers know that even on those first products many buyers will be quite choosy.

Thus, while the price picture is reasonably clear in the minds of manufacturers, the outlook for production is far from clear. Retarding the output of appliances, say the men who make them, is a shortage of manpower and materials.—Wall Street Journal.

A petition from the Lee Cosch company of Marianna for the extension of its lines between Clarksville and Chipola was taken under consideration by the Florida Railroad Commission in Tallahassee this week.

"Just to sleep for a week" and "Sink my teeth into some of Ma's home-baked cake" were the top

choices by G. I.'s in a nationwide poll of servicemen asked to state what they looked forward to other than meeting their loved ones and friends.

The Veterans Administration, which maintains one of its largest hospitals in St. Petersburg, is acquiring the Army Air Force Convalescent Hospital on the Gulf Beaches for administrative offices.

## EXCHANGES

### ISTLE SETTLE IT!

For a long time, one of the toughest jobs in OWI has been that of writing press release about istle. Finally, one of the wire services demanded a definition of istle that would be intelligible.

An OWI man did some research, and came back with this:

"Istle is a fiber of pineapple leaves and is used to make baskets. It has to be well wetted before weaving. This process is known as wetting the istle. The Mexican women who weave the baskets are known as istle-pickin' mamas."—Boston Globe.

### DE DUCKS GOT HIM

We have one that ought to get the prize. Couple of paydays ago, it happened that the envelopes were distributed before the men knocked off for lunch. One, enraged at the amount of social security and withholding tax we had deducted from his envelope, quit cold. He refunded four hours pay, refusing to finish the day.—Leesburg Commercial.

## Hub Spooner Back In Chevrolet Business

(From The Clewiston News)  
Hub Spooner, who was Chevrolet agent in Clewiston for three years before entering Army service in January of 1943, returned to the business yesterday morning and assumed the management of Christian Chevrolet Company.

Hub was a tank corps sergeant but was one of the first casualties in the landings in Normandy on D-Day, June 1944. He was badly injured and for many weeks it was feared that he might never walk again but after his return to the States his recovery was more rapid and he was discharged from the service in February of this year. Since that time he has been employed as service representative of the War Manpower Commission at their office in Belle Glade.

In announcing the change this week Mr. Spooner states that H. E. Walker, who has been acting manager, will remain with the company as parts and service manager and he expects to extend the same type of services as during his previous management of the Chevrolet company here.

Raymond Christian, owner of the company, was here this week for a brief visit from Macon, Georgia, where he is confined to an Army hospital for treatment of injuries received recently in an airplane crash which killed almost all of the plane occupants. He is still in service and has no intimation of when he will receive a discharge.

## Miss Velma Allen Weds Ensign Gibson

THOMASVILLE, Ga. — In a ceremony characterized by simple dignity and beauty, Miss Velma Allen, daughter of Mr. and Mrs. E. E. Allen, became the bride of Ensign William C. Gibson at the First Baptist church on Oct. 31, with Rev. T. F. Calloway officiating.

The church was decorated with white daffodils and fern. Two candelabra, held seven lighted tapers on each side of the altar. The candles were lighted by Mrs. Norman Landem, dressed in a black velvet street length gown and a shoulder corsage of talisman roses.

The program of organ music was rendered by Mrs. Sidney Fleming and Jim Pettigrew sang "Because." E. W. Gibson served as best man. Ushers were A. E. Johnson and B. C. Gibson, Jr. Mrs. E. W. Gibson, matron of honor and the bride's only attendant, wore a smart dress maker's suit of grey wool with matching accessories and a shoulder corsage of talisman roses. The bride, given in marriage by her father, wore a two piece suit of gold gabardine, with azure blue and black accessories. She wore a string of pearls, a gift from the groom. Her shoulder corsage was of yellow rosebuds. She graduated from Thomasville high school in 1940 and since has been employed at the Thomas Drug store in Thomasville.

The groom, son of Mr. and Mrs. E. "Major" Gibson of Canal Point and Thomasville, graduated from Thomasville High school in 1940 and entered the navy in 1941. He completed boot training at Norfolk and took a course in aviation metal work and was assigned to the Jacksonville naval air base for two years. He was chosen for V-12 training at Miami University after which he attended ROTC at Tulane. He graduated in October this year with the commission of Ensign. After a visit in Canal Point he will report to Washington where he will be stationed.

Out of town guests attending the wedding were: Mr. and Mrs. Gibson, Mrs. T. M. Chastain, Mrs. A. R. Chastain and Mrs. J. S. Chastain, all of Canal Point.

## RECIPE FOR RECONVERSION

Home—happiness—and a job! That's the peacetime hope of our men in uniform. To make it a reality, America must get down to peacetime business—and plenty of it.

For the Telephone Company, this means the largest expansion program in the history of the telephone in Florida.

It's a big order calling for the expenditure of millions of dollars to provide telephones for all who have been waiting for them. This is one of our first jobs! A greatly expanded telephone program for our farmer friends is also in process. Expansion of long distance service is being scheduled too. It will include the installation of coaxial cables to handle more calls with speed and convenience for you, and provide more facilities for that exciting visual art—television. A mass of construction is to be done and a new service to motor vehicles is also in the offing.

These expansion plans are being translated into reality as fast as materials become available. There will be work and work means payrolls. And payrolls mean prosperity. The benefits reach everybody, the advantages make themselves felt in every home, in every family. For it's that friendly partnership between Florida and the 5,125 men and women of the Telephone Company, working together for the advancement of their state.

There's every reason for confidence. What Florida and the telephone people did in war, they can do in peace. There will be a marshalling of Men, Money and Materials, to build a more prosperous future for our state.

## Life On The Campus

### AT PAHOKEE HIGH SCHOOL

A welcome is extended this week to Jack Chiviges who enrolled in the ninth grade and to John Haymon who registered in the seventh grade.

Claude Jones, home on leave from the Navy, visited the school Monday. As a student, he was particularly interested in the F. F. A., held many offices—some of state and national scope. He received a number of awards and several cash prizes for winning contests in which he participated.

A letter from Irvin Maloy written enroute to Japan was especially interesting because he enclosed his certificate of membership to King Neptune's Court, an award made according to sea-faring tradition to those crossing the International Date Line.

Boys and girls interested in Basket Ball met Monday afternoon to organize. The game calls for skill, agility, speed, and perfect teamwork, so the public can look forward with pleasure to football's successor in competitive sports.

The Juniors, operating the concession stand at the football games under the double handicap of a temporary, inconvenient stand and inadequate supplies, appreciate the generosity of merchants in this area. The class is especially grateful to the Seniors for leaving twenty-five dollars in the Junior account.

The Halloween Carnival, an event of last week, deserves mention even though previously reported. Students thought the costume parade better than ever, but the impression could have resulted from the staging which displayed the costumes more effectively. Mrs. Schoepel deserves enthusiastic praise for an evening of gaiety. To Mrs. Pope goes the credit for refreshments for no small crowd counting from the "littiest to the biggest". The dance couldn't have been better—on second thought, a few more boys would have helped—thanks to the decoration committee who transformed the gym with crotons, orange and black crepe paper streamers, and palms into a typical Halloween setting for the four-piece orchestra and guests. The entire student body sincerely appreciates the fun provided by the Civic Clubs and citizens of this area.

The game with Ft. Pierce, resulting in a smashing defeat for Pahokee, was another feature of last week. It was most unfortunate that the team was not up to par physically for this important game.

Wednesday night The Pan American Club held its second

meeting of the year. A short business meeting was held at which the Executive Board was elected. A brief talk on "Venezuela" by the club sponsor, Miss McNamara, was given by request of the program committee, Gwen Gant and Margaret Powell. Refreshments were served by Louise Elarbee and Phyllis Bell.

Officers of the club for the 1945-46 season are: President, Nina Ruth Barwick; Vice-President, Louise Elarbee; Secretary, Walta Nell Hull; Treasurer, Margaret Powell; Reporter, Gwen Gant; Executive Board: Fay Gilbert, Joy Padgett, Imogene Tillis, Bill Elam, Harry Fremd and Lynn Horne.

The Junior Classical League, a chapter of the National League, will meet November 13. Membership is offered to students in Latin classes and former members, but those enrolled in First Year Latin must prove themselves eligible by participating in varied activities and projects. These tests will present little difficulty to the class—one of the largest, most enthusiastic, and best in scholarship. Silver membership keys bearing the laurel crown surrounding the upheld torch of culture, not available last year, can be secured this term. The first issue this term of Auxilium Latium, National Classroom Magazine, arrived this week. A glance at the index shows articles in Latin titled "De Praeside Truman; De Duabus Puellis Captivis; Oblectamenta, letters written in Latin by students about their hobbies; Parva Vestalis, a playlet; Res Aenigmaticae, you call them Puzzles; Probationes Breves, tests are tests in any language; Subrideamus", translated "Let Us Smile". And at last a page of jokes, why not?

### Monthly Meeting

The Canal Point PTA met Wednesday afternoon of this week at the school auditorium with Mrs. F. M. Wilson, president, presiding over the business. Mrs. Otto Coleman presented an interesting program. Mrs. P. P. deMoya and Mrs. Howell, county nurse, made interesting talks. Mrs. Kendrick Buchanan and Mrs. James Miller served refreshments.

Charles Bishop Starling, phm 3-c, recently received his discharge from the Navy after 26 months in the service, seven of which were spent overseas. He has two battle stars on his ribbons and holds the Purple Heart medal. Mr. Starling has accepted his former position as Glades representative for the Gulf Life Insurance Company and he and his wife are now living in Pahokee. J. G. Cherry, Gulf Life representative here for the past several months, has been transferred to West Palm Beach.

Melvin V. Pugh, ssmb 3-c, received his discharge from the Navy on Oct. 31 and returned to Pahokee to resume his work at Pugh Brothers barbershop. He has been stationed at Richmond Field near Miami.

Mr. and Mrs. Hugo Boe and small son have returned to make their home in Pahokee following his recent discharge from the Coast Guard where he served as commissary steward. Mr. Boe was a member of the Pahokee City Council before joining the service more than three years ago and he has accepted his former position with Vandegrift-Williams Farms.

Pfc. John Price Burdeshaw, Jr., received his discharge from the Army at Lawson General Hospital, Atlanta, Ga., on Friday of last week. He was in the service over two years and served overseas in the European theatre for 10 months until Jan. 16, 1944 when he was wounded in action. He has three combat stars on his ribbon and was awarded the Bronze Star and Purple Heart medals.

Ellis O. Murphy of Pahokee son of Mr. and Mrs. E. O. Murphy of Miami, has been discharged from Army after serving 31 months overseas. Murphy participated in the North African campaign, Italian campaign, and southern France invasion. He served in an infantry division, an anti-aircraft division

# How much is a tin whistle worth?

Ben Franklin was just a little shaver when he spied that tin whistle in the shop window. His money was burning a hole in his pocket and he just *had* to have that whistle whether or no.

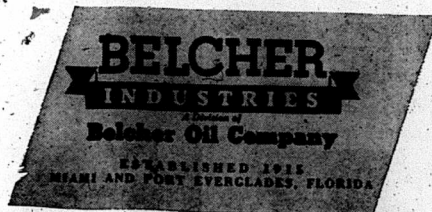

He wanted it so badly that he plunked down all his pennies . . . without even asking the price of the gadget!

You know the rest of the story! When his pa found Ben had paid five times what the whistle was really worth, he hit the ceiling. To make it worse, Ben found that his whistle wasn't tooting as good as it used to.

Lots of folks today are paying too much for their whistles, too . . . paying high prices for stuff they don't really need . . . or want just because they can't wait until they can buy first-rate merchandise and get their money's worth . . . in service and satisfaction.

Now that reconversion is well under way, the best is yet to come. Take Carrier Air Conditioning for instance, with all the modern improvements . . . perfected during the years when constant research was needed to meet the demands of war in order that air conditioning would function effectively and economically in every climate and under every imaginable condition.

Just as soon as the government releases vital equipment for the manufacture of air conditioning, the Belcher Industries will start filling all orders in sequence . . . bringing you the most scientific and most satisfactory air conditioning system for your home, store, office building, hotel, apartment house, or industrial plant . . . providing you with clean, evenly distributed, draftless air of precisely controlled temperature and humidity . . . day in and day out . . . every day in the year!

## Bateman & Lamb Are Road Builders

(From The Stuart News)

Brooks W. Bateman, for four years Highway Commissioner for the Fourth District for the State Road Department, and Floyd Lamb, for 15 years bridge superintendent for the SRD in this district, have formed the new firm of Bateman & Lamb, opening a construction office in the former Pittman filling station north of the bridge. They will specialize in road building, land clearing, and the building of docks and sea walls. The new firm has just finished clearing 125 acres of land for Sunrise Products Co., and expects to begin building three-fourths of a mile of rock-base, hard surfaced roads for the Snug Harbor Corporation in the next few weeks.

## Armistice Day Crowd To Hear Holland

Former Governor Spessard L. Holland will speak in West Palm Beach at the annual American Legion Armistice day celebration in Flagler Park.

The former governor also will address the auxiliary luncheon.

A parade will precede the park program: A barbecue will be held during the afternoon at Wright field.

Edward Ball, trustee of the Alfred I. Dupont estate and head of the Florida National Bank chain, predicted this week that more money would be deposited in Florida banks this winter than ever before in the State's history. Much of this money he believes will come here for investment in property and industry.

### Recruiting Office Opened W. P. Beach

The army has opened a recruiting office in the Comeau building in West Palm Beach and enlistments from Okeechobee, Palm Beach, St. Lucie, Indian River and Martin counties will be accepted. A recruiting team will tour this district once a week appearing at the larger cities at a certain time and place to be announced.

The response to the current recruiting drive has been favorable. Up to and including this date fifteen men from this district have enlisted or re-enlisted in the regular Army. Any one wishing data on re-enlisting in the regular Army may write or phone the West Palm Beach office.

quantity. Four railroad trains, circus owned and operated under the supervision of ODT, are needed to transport the world's biggest circus. Its hundreds of internationally-renowned performers have to and assist the various working departments that erect the city of 41 big and little tents, made fire-resistant by the same new process now used on army and navy canvas, for there are hundreds of stars in the circus service flag these days.

Prominent in the spectacular 1945 performance are these features: "Alice in Circus Wonderland," glittering pageant with all the characters of the well-loved childhood classic and embellished by parading circus multitudes of people and trained animals; "Balerina," modern bareback riding wizardry presented in a sweeping panorama of nostalgic setting; the "Leopard Women," Circus beauties putting a huge group of jungle-bred black spotted leopards, jaguars and pumas through their paces in the big cage; a vast elephant military drill enhanced by hosts of marching circus girls in a pachydermic replica of traditional British pomp and ceremony at Buckingham Palace; a new presentation of fine horse-flesh and talented riders and jumpers featuring the famous boxing stallions and the Hollywood movie horse "Starless Nite."

The huge circus menagerie will open its doors an hour before each performance to permit leisurely inspection of the rare wild animal contingent headed by the world's most famous gorillas, Gargantua and Toto. Nine herds of elephants, giraffes, hippopotami and a new baby rhinoceros, "Bobby of Brookfield," second rhino ever born in captivity, are among the features of the great traveling zoo this year.

**NOV. 21, 1945**

AN IMPORTANT DATE FOR  
THOUSANDS OF ARMY VETERANS  
NOW IN CIVILIAN LIFE

Between now and November 21, thousands of Army veterans will reenlist in Uncle Sam's new volunteer peacetime Army. Because men who have been discharged between May 12 and November 1 of this year and reenlist on or before November 21 will be able to return to the Army with the same grade as they held when discharged.

Men with six months of satisfactory service discharged as privates will, on reenlistment before November 21, be given the grade of private first class.

Men now in the Army who apply for discharge after NOVEMBER 1 for the purpose of reenlisting in the Regular Army will also retain their present grades, if they enlist within 20 days after discharge and before FEBRUARY 1, 1946.

## "BEST JOB IN THE WORLD"

These special privileges are typical of the new law recently passed by Congress. Few opportunities for a lifetime career offer as many attractive advantages.

Can you think of any other job that would give you good pay, your food, clothing, quarters, free medical and dental care, world-wide travel, 30 days' furlough every year, education and training in any of nearly 200 skills or trades, and enable you to retire with a life income any time after 20 years' service?

There isn't any! That's why a job in the Regular Army has been called "The Best Job in the World."

## HIGHLIGHTS OF THE NEW ENLISTMENT PROGRAM

1. Enlistments for 1½, 2 or 3 years. (1-year enlistments permitted for men with 6 months' service.)

2. Men reenlisting retain their present grades, if they reenlist within 20 days after discharge and before Feb. 1, 1946. The same applies to men discharged between May 12 and Nov. 1, 1945, who reenlist before Nov. 21, 1945.

3. An increase in the reenlistment bonus to \$50 for each year of active service since the bonus was last paid, or since last entry into service.

4. 20% extra pay when overseas.

5. Paid furlough, up to 90 days, depending on length of service, with furlough travel paid to home and return, for men now in the Army who enlist.

6. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.

7. Option to retire at half pay for the rest of your life after 20 years' service—or three-quarters pay after 30 years. (Retirement income in grade of Master or First Sergeant up to \$155.25 per month for life.) All previous active federal military service counts toward retirement.

8. Benefits of GI Bill of Rights.

9. Family allowances for the term of enlistment for dependents of men who enlist or reenlist before July 1, 1946.

10. Choice of branch of service and overseas theater in Air, Ground or Service Forces on 3-year enlistments.
